

PARK RANGERS:

- Hours for staffing park rangers: afternoons and evenings 7 days a week
- Monitor Parks and playgrounds
- Monitor Rentals in the Community Recreation Center
- Make sure patrons in the parks are abiding by the rules
- Verify that the people renting the shelters are the ones using the shelter
- Being visible for the shelter rentals if any needs arise
- Monitor the lakefront
- Typically someone is stationed at Foss Park while the park is in use
- Someone might be stationed at Twin City while the park is in use
- All neighborhood parks are monitored throughout the day unless needed more frequently
