**NOTICE TO CANDIDATES WHO HAVE CHANGED NAMES
WITHIN THE LAST THREE YEARS**

P.A. 94-1090, Effective June 1, 2007 amended 10 ILCS 5/7-10.2, 10 ILCS 5/8-8.1 and 10 ILCS 5/10-5.1 to add the following requirement:

If a candidate has changed his or her name, whether by a statutory or common law procedure in Illinois or any other jurisdiction, within 3 years before the last day for filing the petition or certificate for that office, whichever is applicable, then (i) the candidate's name on the petition or certificate must be followed by "formerly known as (list all prior names during the 3-year period) until name changed on (list date of each such name change)" and (ii) the petition or certificate must be accompanied by the candidate's affidavit stating the candidate's previous names during the period specified in (i) and the date or dates each of those names was changed; failure to meet these requirements shall be ground for denying certification of the candidate's name for the ballot or removing the candidate's name from the ballot, as appropriate, but **these requirements do not apply to name changes resulting from adoption to assume an adoptive parent's or parents' surname, marriage to assume a spouse's surname, or dissolution of marriage or declaration of invalidity of marriage to assume a former surname.**

Pursuant to P.A.-1090 and 10 ILCS 5/16-3, said information shall appear on the ballot along with the candidate's current name.

SIMULTANEOUS FILINGS – LOTTERY PROCEDURES
STATE BOARD OF ELECTIONS – RULES AND REGULATIONS
(As codified under the Illinois Administrative Procedures Act)

Section 201.40 Simultaneous Filing for the Same Office – LOTTERY

Simultaneous filings of candidate nominating petitions for the same office occur only at 8:00 a.m., or the opening hour, on the first day of filing. The lottery system to be used by the State Board of Elections, the election authority, or the local election official to break ties resulting from such simultaneous filings must be approved by the State Board of Elections. The following system has been approved:

- a) The names of all candidates who filed simultaneously for the same office shall be listed alphabetically and shall be numbered consecutively commencing with the number one which shall be assigned to the candidate whose name is listed first on the alphabetical list; provided, however, that candidates filing a group petition for the same office shall be treated as one in the alphabetical list. For example, if five candidates by the name of Downs, Brown, Edwards, Cook and Adams have filed simultaneously, they will be arranged alphabetically and assigned numbers as follows: Adams, one; Brown, two; Cook, three; Downs, four; and Edwards, five. However, if Cook and Adams filed a group petition and Cook's name appeared first on the petition, then the candidates would be arranged as follows: Brown, one; Cook and Adams, two; Downs, three; and Edwards, four.
- b) All ties will be broken by a single drawing. A number shall be placed in a container representing each number assigned to each candidate and group of candidates pursuant to the alphabetical listing procedures set forth in paragraph a) above. For example, if the largest number to be used for any office is five, then numbers one, two, three, four and five will be placed in a container. In this manner, sufficient numbers will be placed in the container to conduct a drawing for all offices at the same time.
- c) After the numbers are placed in the container, they shall be drawn one at a time from the container after they have been thoroughly shaken and mixed. The candidate or group of candidates in the position on an alphabetical list corresponding to the first number drawn shall be certified ahead of the other candidates listed on the alphabetical list. The candidate or group of candidates in the position on the alphabetical list corresponding to the second number drawn will be certified second and so forth until all numbers have been drawn. For example, where no group petitions were filed, if candidates Adams, Brown, Cook, Downs, and Edwards filed simultaneously at 8:00 a.m. on the first day of filing, and the number three is first drawn, then candidate Cook, who is listed in the third position on the alphabetical list, shall be certified first on the ballot. If the number one is drawn second, then candidate Adams, who is listed in the first position on the alphabetical list, shall be certified second on the ballot...and so on. For offices where group petitions were filed, using the example set forth above where candidates Cook and Adams file a group petition for the same office, and Cook's name appears first on the petition, and number three is drawn first, then candidate Downs would be listed first. If the number two is drawn second, then candidates Cook and Adams would be certified
