

# We're building a playground!

We need your help to get ready for this exciting day

On Thursday, June 13, volunteers from AbbVie, North Chicago Community Partners, and Foss Park District, in partnership with KaBOOM!, will build a great new place for kids to play in ONE day. The project will be kicked off at Design Day, where a KaBOOM! Project Manager will lead a meeting for adults and an interactive session for kids. Mark your calendar!

**Design Day: Wednesday, March 27<sup>th</sup>**

Community Recreation Center 1730 Lewis Avenue, North Chicago, IL 60064

## 2:00pm Children's Design Session

Calling all playground experts! All kids present will have the chance to draw their dream playground. The drawings will be used as inspiration for the final playground design.

## 3:00pm Adults' Planning Meeting

Community support is essential to making this project a success. Attendees will learn more about working with KaBOOM! and have the opportunity to sign up to be on the planning committee for the playground Build Day. They will also use the children's drawings to help pick out playground equipment and colors for the new custom playground.
